Girl #7: OH!!! (She gives the other girls knowing looks.)

Girl #1: You want anything?

All: No, no thanks.

Girl #1: (She leaves the stage.)

Girl #5: What's the matter with you?

Girl #7: Did you hear what she said?

Girl #6: About craving something.

Girl #5: So?

Girl #7: So you know what that means to be craving something don't you?

Girl #6: OH!! (Girl #6 and Girl #7 start talking and Girl #5 walks over to girls in the center of the stage doing hair.)

Girl #8: (Girl #5) Want to get your hair done?

Girl #5: No thanks. (Looks worried)

Girl #9: What's going on?

Girl #5: Well, I just heard that \_\_\_\_\_ (Girl #1) had these terrible cravings, and we all know what that means, don't we.

Girl #10: Yah, I know what it means.

Girl #11: What does it mean?

Girl #5: Yah, what does it mean? I mean... don't you know what it means?

Girl #10: Well, every time my mom gets pregnant she always has these terrible cravings.

Girl #11: Really?

Girl #5: Really?

Girl #9: And \_\_\_\_\_ (Girl #1) has cravings! Do you really think...?

Girl #5: I don't know... (She starts talking to the group and Girl #10 walks over to the group in the back.)

Girl #12: What?

Girl #10: \_\_\_\_\_ (Girl #1) is pregnant!

Girl #14: What????? Oh she is such a little terror who knows what she would do.

Girl #12: I remember once she terrorized the whole neighborhood (Group starts to whisper; Girl #15 walks over to group at back of the stage)

Girl # 15: Hey, you look really worried.

Girl #16: What's wrong?

Girl 15: Well, not only is \_\_\_\_\_ (Girl #1) pregnant, but I think she is a terrorist. I don't know her very well, but I think she is dangerous.

Girl #17: I saw her sneaking something out of her suitcase this morning when she thought no one was watching. I'll bet she is planning to do something really terrible. She was hiding it under her shirt in back.

Girl #12: What should we do?

Girl #16: I'll go see if I can get help. (Runs to last group)

Girl #18: What's the matter?

Girl #19: You're out of breath.

Girl #20: Can we help?

Girl #16: We need to get some help! \_\_\_\_\_(Girl #1) is an evil princess dictator from Bulgaria and is a pregnant terrorist with a ticking bomb strapped to her back. She is so bad, she is going to blow up our Camp TONIGHT!

Girl #18: What should we do?

Girl #19: We need to tell our leaders.

Girl #20: I think it's too late, here she comes....

Girl #1: (She walks back on center stage with soda, skittles and chocolate. She starts to reach behind her and everyone screams What's the matter with everyone? It's Sara's birthday today and I brought something for her!
